Attention: Kristen Walli, Board Secretary

Dear Ms. Walli:

**Re:    North Bay Hydro Distribution Ltd. (EB-2012-0152)  
      Application for 2013 Electricity Distribution Rates  
      Decision and Order – Confirmation of Rate Order and Explanation of Inaccuracies**

Further to the Decision and Order of the Ontario Energy Board dated April 4, 2013 in the above-noted matter, please be advised that North Bay Hydro Distribution Ltd. (NBHDL) has reviewed the draft Tariff of Rates and Charges set out in Appendix A.

During the review of the Tariff of Rates and Charges, NBHDL noted a discrepancy in the final page of the Tariff (page 10 of 10). Under the Retail Service Charges section, the Tariff lists the "Monthly Variable Charge, per customer, per retailer" as \$.50; NBHDL's approved rate is \$1.37/customer.

In all other respects, NBHDL confirms that the Tariff is complete and accurate.

Yours truly,
