Dear Ms. Walli:

**Re: Cambridge and North Dumfries Hydro Inc. (EB-2012-0111)
2013 IRM3 Electricity Distribution Rate Application
Review of draft Tariff of Rates and Charges**

Cambridge and North Dumfries Hydro Inc. ("CND") received the Board's Decision and Order for their 2013 IRM3 Electricity Distribution Rate Application on Thursday April 4, 2013 and noticed errors that must be corrected prior to the issuance of the Final Tariff of Rates and Charges. The errors are as follows:

1. For the Street Lighting Service Classification, the Rate Rider for Disposition of Deferral/Variance Account (2013) – effective until April 30, 2014 is listed as \$0.1276 but the correct amount is \$0.1229 per kW.
2. For the Embedded Distributor Service Classification, the Rate Riders for Application of Tax Change – Waterloo North Hydro and Hydro One Networks – effective until April 30, 2014 are reversed. The Rate Rider for Waterloo North Hydro should be (\$0.0039) and the Rate Rider for Hydro One Networks should be (\$0.0042).

Thank you for making these corrections.

If you require any additional information or clarification, please contact the undersigned.

Sincerely,
