Dear Ms. Volnyansky:

**Re: Enersource Hydro Mississauga Inc.
2013 Application for Lost Revenue Adjustment Mechanism
Board File Number: EB-2013-0024
Notice of Intervention – L. Volnyansky**

The Board has received your request dated April 4, 2013 for intervenor status and confirms you as an intervenor in the above noted proceeding, subject to Enersource Hydro Mississauga Inc.'s right of reply to your request within 10 calendar days from the filing of your notice of intervention. The Board confirms that you will not be requesting costs in relation to this proceeding.

With respect to your request that an oral hearing be held, the Board will proceed to hear this application in writing as indicated in the Notice of Application dated March 8, 2013. Given the limited number of issues to be considered by the Board in this application, the Board is of the view that a written hearing provides an adequate opportunity for all interested parties to participate. As is the practice for any application heard by the Board, the Board will review all submissions received from interested parties and consider all submissions that are within the scope of the proceeding in rendering its decision.

The Practice Direction and related forms are available on the Board's website at www.ontarioenergyboard.ca. As a reminder written interrogatories are to be filed with the Board and Enersource Hydro Mississauga by April 12, 2013.

Yours truly,
