Dear Ms. Walli:

IN THE MATTER OF the Electricity Act, 1998, S.O. 1998, c. 15, Schedule A;

AND IN THE MATTER OF an Application made collectively by entities that have renewable energy supply procurement contracts with the Ontario Power Authority in respect of wind generation facilities for an Order revoking certain amendments to the market rules and referring the amendments back to the Independent Electricity System Operator for further consideration.

Board File No.: EB-2013-0029

We write further to the Board's correspondence of March 28, 2013 attaching a copy of the Building Owners and Managers Association of Greater Toronto's ("BOMA") cost submissions.

Despite not having been served with BOMA's cost submissions, as required by the Board's Decision on Cost Eligibility and Procedural Order No. 6 issued March 4, 2013, the Independent Electricity System Operator nonetheless does not object to the costs being claimed by BOMA.

Yours very truly,

Jennifer Teskey
