Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms Walli:

Re: May 1, 2013 IRM Rate Filing / EB-2012-0172 Comments on Draft Rate Order

Further to the Board's Decision and Order of April 4, 2014, Waterloo North Hydro Inc. (WNH) has reviewed the Draft Tariff of Rates and Charges set out in Appendix A and has the following comments below.

In WNH's May 1, 2011 and May 1, 2012 Rate Orders the Board approved WNH's May 1, 2011 Rate Riders for Disposition of Deferral/Variance Account (2011) and Disposition of Global Adjustment Sub-Account (2011) to the fifth decimal place. In the 2013 Draft Tariff of Rates and Charges all but two of these Rate Riders were shown to four decimal places.

WNH has provided a table below which details the changes that are required. WNH submits that the rates in the column labeled 'Rate per Approved May 1, 2011 & 2012 Rate Orders' should be reflected in the Tariff of Rates and Charges.
