2013 IRM3 Electricity Distribution Rate Application  
EB-2012-0148 – May 1, 2013 Tariff of Rates and Charges**

Milton Hydro Distribution Inc. ("Milton Hydro") has reviewed the Ontario Energy Board's ("OEB") Decision and Order and the accompanying Tariff of Rates and Charges. Milton Hydro confirms the completeness and accuracy of the Tariff of Rates and Charges based on the OEB Decision and Order.

Milton Hydro would advise the OEB that it is currently considering the OEB's Decision as it relates to Milton Hydro's Lost Revenue Adjustment Mechanism ("LRAM") claim for the persistence of its 2010 Ontario Power Authority ("OPA") Conservation and Demand Management ("CDM") programs and the resulting lost distribution revenue for each year during the IRM period. Milton Hydro will review its options and may be taking further steps with respect to the LRAM-related portion of the Decision and Order.
