Attention: Ms. Kirsten Walli  
Board Secretary

Dear Ms. Walli:

**Re: Intervenor Status and Cost Eligibility Request on Behalf of the Building Owners and Managers Association – Greater Toronto (BOMA) – Ontario Power Generation Inc. Request for Approval of a Reliability Must-Run Agreement for Thunder Bay Generating Station; Board File No. EB-2013-0061**

---

The Building Owners and Managers Association – Greater Toronto (BOMA) seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals. Its members account for 80 per cent of all commercial and industrial real estate companies in the Greater Toronto Area and many others throughout Ontario. BOMA's members are large consumers of electricity and as such, has a substantial interest in rates its members pay for electricity, including the wholesale commodity price, and regulatory charges, including the global adjustment. The disposition of this case will impact such charges.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial Property owners in the Greater Toronto Area and throughout Ontario.

BOMA has been a major and constructive participant in numerous previous electricity cases, including the recent Toronto Hydro rates case (EB-2012-0064). As a representative of a large sector of electricity consumers in the Greater Toronto Area and throughout Ontario, the commercial and industrial building owners and generators, BOMA seeks a cost award in this proceeding.

BOMA plans to participate actively in this proceeding, to submit interrogatories and make submissions.

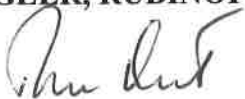

BOMA requests that further communications with respect to this matter be sent to the following parties:
