Dear Mr. Payne:

**Re: Haldimand County Hydro Inc.
Application for Rates
Application Board File Number EB-2012-0129**

The Board has corrected a typographical error in the Tariff of Rates and Charges which was attached to the Rate Order issued on April 11, 2013 in the above-noted proceeding. Specifically, the Board corrected the "Rate Rider for Smart Metering Entity Charge – effective until October 31, 2018" for a spelling error in the General Service Less Than 50 kW Service Classification. Under Rule 43.02 of the Board's Rules of Practice and Procedures, the Board may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions.

The amended Final Tariff of Rates and Charges is attached.

Yours truly,
