

**EB-2012-0162**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*,  
S.O. 1998, c. 15, (Schedule B);

**AND IN THE MATTER OF** an application by PUC  
Distribution Inc. for an order approving just and reasonable  
rates and other charges for electricity distribution to be  
effective May 1, 2013.

**PROCEDURAL ORDER NO. 4  
AND  
ORDER FOR INTERIM RATES**

**April 19, 2013**

PUC Distribution Inc. ("PUC") filed a complete application (the "Application") with the Ontario Energy Board (the "Board") on December 5, 2012 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that PUC charges for electricity distribution, to be effective May 1, 2013.

The Board issued Procedural Order No. 1 dated January 18, 2013 in which the Board established dates for the filing of written interrogatories and responses.

The Board issued Procedural Order No. 2 dated February 26, 2013 in which the Board approved PUC's request for an extension of the filing date of its interrogatories to March 22, 2013.

The Board issued Procedural Order No. 3 dated March 28, 2013 in which the Board approved PUC's request for an additional extension of the filing date of its interrogatories to April 4, 2013.

After reviewing the responses to the interrogatories, the Board has determined that provision should be made for supplemental interrogatories for the purpose of clarifying the existing interrogatory responses filed by PUC. The Board encourages parties to use a continuous numbering system that starts from the last number utilized by the intervenor, modified with the addition of the letter “s”. The reference tag for the supplemental interrogatory would be the original tag of the interrogatory in question. For example, a supplemental interrogatory regarding the response to interrogatory “**1-Staff-2**” would be tagged “**1-Staff-49s**” beneath which “**Ref: 1-Staff-2**” would appear.

The Board has also decided that it will convene a settlement conference.

### ***Interim Rates***

In the Application, PUC requested an effective date of May 1, 2013.

The Board is prepared to make PUC’s current approved rates interim pending the outcome of this proceeding. This determination is made without prejudice to the Board’s Decision on PUC’s Application, and should not be construed as predictive, in any way whatsoever, of the Board’s final determination with regards to the effective date for PUC’s rates arising from this Application.

The Board considers it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

### **THE BOARD ORDERS THAT:**

1. Board staff and intervenors shall request any information and material from PUC that is in addition to PUC’s response to interrogatories filed on April 4, 2013, and that is relevant to the hearing, by written supplemental interrogatories filed with the Board and served on PUC on or before **April 29, 2013**.
2. PUC shall file with the Board complete written responses to the supplemental interrogatories and serve them on intervenors on or before **May 13, 2013**.
3. A Settlement Conference will be convened on **May 21, 2013**, starting at 9:30 a.m. with the objective of reaching a settlement among the parties on the issues.

The Settlement Conference will be held in the Board's hearing room at 2300 Yonge Street, 25th Floor, Toronto, and may continue on **May 22, 2013**, if needed.

4. Any Settlement Proposal arising from the Settlement Conference shall be filed with the Board no later than **May 31, 2013**.
