**Attention: Ontario Energy Board Secretary**

Dear Sirs/Mesdames:

**Re: Electricity Generation Licence Application (Board File No. EB-2012-0481)**

I am writing on behalf of my client Aurora Waubaushene 4 Limited Partnership. Please find attached an electronic version of the amended application in connection with OEB license application: EB-2012-0481 (Aurora Waubaushene 4 Limited Partnership). The reason for this amendment is to notify the OEB of a change in the officers and directors of Aurora Waubaushene 4 Limited Partnership. The only changes to the existing application are as follows: (1) the name of the Key Individuals set out in section 4 of the application have been updated; (2) the name of the Licence Primary Contact set out in section 5 of the application has been updated; and (3) the certification set out in Section 12 of the application has been signed by one of the new Key Individuals identified in item 4. In all other respects, the application has not changed.

If you have any questions, please do not hesitate to contact me.

Yours truly,

Lanette Wilkinson
