Dear Ms. Walli:

**Re: Smart Metering Entity Charge (EB-2012-0100)**

The Independent Electricity System Operator ("IESO"), as the Smart Meter Entity (SME) respectfully requests that it be granted a one week extension to file its reply submissions to the Board Staff submissions on the draft Accounting Order, filed by the SME on April 8, 2013. The SME witness and counsel are unavailable in the period leading up to the scheduled due date of April 22, 2013. The IESO therefore requests that it be permitted to file its reply submissions on April 29, 2013.

Yours truly,
