Dear Ms. Walli:

Re: EB-2013-0074 – Union Gas Limited (“Union”) – Brantford-Kirkwall/Parkway D Project – Request for Intervention by the City of Kitchener (“Kitchener”)

Pursuant to the Ontario Energy Board’s (“Board’s”) Notice of Application dated April 12, 2013 (“Notice”), Kitchener wishes to actively participate in this proceeding.

Kitchener is an embedded gas distributor in the Southern Area of the franchise territory of Union and receives storage and transportation services under Rates T3 and M12. Kitchener has been granted intervenor status by the Board in Union’s facilities Application under EB-2012-0433. Kitchener is seeking intervenor status in the related instant facilities Application on the same grounds.

Although the Notice is silent on provision for costs, Kitchener does not expect to seek costs in this proceeding.

If there are any questions or concerns with this request for intervention, please contact me at your earliest convenience.

Sincerely,

James A. Gruenbauer, CMA
Manager, Regulatory Affairs and Supply
