Dear Ms. Walli:

**Re: EB-2012-0040/ EB-2012-0041 Bornish Wind, LP., Kerwood Wind, Inc. and Jericho Wind, Inc. -
Application for Leave to Construct Electricity Transmission Lines and Related Facilities**

We are counsel to the Middlesex-Lambton Wind Action Group, Inc. ("MLWAG"). In Procedural Order No. 1, dated April 15, 2013, the Board invited MLWAG to provide further information regarding MLWAG's eligibility for a cost award.

MLWAG is eligible for a cost award under section 3.03(b) of the Board's *Practice Direction on Cost Awards* because MLWAG represents the public interest, namely that of consumers living in proximity to the proposed projects but whose properties are not directly impacted by the proposed projects. MLWAG intends to make submissions representing the interests of these consumers with respect to matters coming within the scope of this proceeding as defined in section 96(2) of the *Ontario Energy Board Act, 1998*.

We look forward to the response of the Ontario Energy Board to this request. If there are any questions arising from this request please do not hesitate to contact us.

Yours very truly,

ERIC K. GILLESPIE
