**Re: Board File No. EB-2013-0147
Kitchener-Wilmot Hydro Inc. – 2014 Cost of Service Application**

Dear Ms. Walli:

In response to the Board's letter of December 11, 2012, KWHI submitted a letter on December 21, 2012 indicating its intention to file a 2014 Cost of Service Application for rates effective January 1, 2014 under Option 1 (3rd Generation IRM). This application is due by April 26, 2013.

KWHI has become aware that, despite its best efforts, it will be unable to file its 2014 Cost of Service application by April 26, 2013. KWHI had secured additional resources to assist with the completion of its application and has taken steps to ensure that it is given the highest priority possible, however, KWHI will be unable to file the application by April 26th. KWHI respectfully requests an extension and intends to file by May 17, 2013 at the latest.

KWHI trusts that the Board will consider these efforts to be just and reasonable. Questions or concerns in this matter, should be addressed to the undersigned.

A copy of this submission has been electronically filed through the Board's RESS system. The original has been couriered to the Board's offices.

Respectfully submitted,
