**Re: Amendment To 2007 Electricity Distribution Rate Application
Board File Number EB-2007-0538**

We have been advised by Board staff that during their preliminary review of our application, that we have inadvertently omitted a Specific Service Charge from our 2007 IRM Model in relation to Horizon's 2007 Electricity Distribution Rate Application. Our case manager, William Garvin advised of the following:

On the approved 2006 tariff schedule for Horizon Utilities Corporation in the Customer Administration Section of the Specific Service Charges, the \$30.00 rate for Meter Dispute Charges plus Measurement Canada fees (if meter found correct) is listed as approved. On sheet 3 of your 2007 IRM model, this rate is absent.

This discrepancy was an inadvertent oversight on our part, and we do in fact want this Specific Service Charge included in our 2007 Tariff Schedule. Please adjust our 2007 IRM model to include this charge in our 2007 Tariff Schedule. Thank you.
