EB-2012-0451 - Greater Toronto Area ("GTA") LTC Project
Issues/Process Day Request

On April 26, 2013, an Issues and Process Conference was held at the Ontario Energy Board's offices in order to determine a Draft Issues List and to discuss future processes for Enbridge's GTA project and Union Gas Limited's Parkway West LTC project.

While at the conference Mr. Quinn, on behalf of the Federation of Rental-housing Providers of Ontario, requested a consolidated map.

Attached please find the requested map.

Please contact me if you have any questions.

Yours truly,
