County Solicitor/Director of Legal Services
Corporation of the County of Middlesex
399 Ridout St. North
London ON N6A 2P1

Dear Mr. Meagher:

**Re: Bornish Wind, LP, Kerwood Wind, Inc. and Jericho Wind, Inc.
Applications for Leave to Construct Transmission Facilities
Board File No. EB-2013-0040 and EB-2013-0041**

Procedural Order No. 1 in this matter was issued on April 15, 2013. It stated that, "Board staff and intervenors who wish information and material from the Applicants in relation to the combined applications that is in addition to the Applicants' pre-filed evidence with the Board, and that is relevant to the hearing, shall request it by written interrogatories filed with the Board and delivered to the Applicants on or before May 6, 2013."

The Corporation of the County of Middlesex (the "County") filed interrogatories in this matter on May 6, 2013. Interrogatories were posed to the Applicants, as well as to Hydro One Networks Inc. ("Hydro One") and to Board staff. The Board notes that the procedural steps in proceedings before the Board, as set out in the Board's Rules of Practice and Procedure, do not contemplate intervenors requesting the production of documents from other intervenors unless those intervenors have filed evidence. The interrogatory phase and more generally the various steps of the discovery process allow for intervenors to seek relevant information and clarification of the evidence filed by the applicant in the proceeding and any intervenor evidence. As neither Hydro One nor Board staff has filed evidence in this matter, to date, there is no obligation on the part of Hydro One or Board staff to respond to the County's interrogatories.

Procedural Order No. 1 made provision for intervenors and Board staff to file evidence in this matter by May 28, 2013. In the event that Hydro One or Board staff files evidence, the County and other parties may file written interrogatories on that evidence on or before June 7, 2013 and responses shall be filed on or before June 21, 2013.

Yours truly,
