

EB-2013-0014

IN THE MATTER OF the *Ontario Energy Board Act, 1998*, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by Metrolinx for an amendment to its electricity generation licence.

By delegation, before: Viive Sawler

DECISION AND ORDER
May 23, 2013

Metrolinx filed an application with the Ontario Energy Board (the “Board”) on January 17, 2013 pursuant to section 74 of the *Ontario Energy Board Act, 1998* (the “Act”) for an amendment to its generation licence EG-2011-0438. Additional information to complete the application was filed on March 11, 2013. The Board assigned file number EB-2013-0014 to this application.

Metrolinx requested that the Board amend its generation licence to include the ownership and operation of a single unit, natural gas generator located at the GO Transit Oshawa Bus Facility in Oshawa, Ontario.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to the licence.

IT IS THEREFORE ORDERED THAT:

1. Schedule 1 of Metrolinx's electricity generation licence EG-2011-0438 is amended to include the ownership and operation of the GO Transit Oshawa Bus Facility natural gas generator in Oshawa, Ontario. The amended licence is attached to this Order.
