Dear Ms. Walli:

**EB-2011-0021 – Hydro One Remote Communities – LEAP and DSC Exemption – Comments on Intervenor Cost Claims**

I write to advise that Hydro One Remote Communities Inc. (“Remotes”) has received and reviewed the cost claims from Nishnawbe Aski Nation (“NAN”).

With respect to the cost claim from NAN, Remotes would request the Assessment Officer ensure that all the disbursement receipts have been received and match what has been claimed.

With respect to the costs claim from NAN, given the excessive dollars and not seemingly related hours being claimed, Remotes would request the Assessment Officer ensure that the claim is just and appropriate.

Sincerely,
