Board Files Nos. EB-2013-0037 and EB-2013-0038**

We are in receipt of your submission dated May 23, 2013. The Notice of Applications for this proceeding specified that any party wishing to make a submission on the applications was to file it with the Board by May 10th, and that a complete copy of the written submission must be provided to the applicant. Your written submission was not filed on time and it is unclear as to whether or not it was copied to the applicant. If you still wish the Board to consider your submission, you must provide reasons for your lateness and confirm that you have provided a complete copy of your submission to the applicant.

In light of the Notice of Applications and in accordance with the Board's Rules of Practice and Procedure (a copy of which can be found on our website at [www.ontarioenergyboard.ca](http://www.ontarioenergyboard.ca)), the Board may decide to disregard evidence or other material that is filed late, or it may provide the applicant with an opportunity to respond to your submission before making such determination on whether or not to accept the late filing.

Yours truly,
