Dear Ms. Walli,

Re: 2013 PILS Disposition

Erie Thames Powerlines was directed in its recent Cost of Service Application EB-2012-0121 to file a separate PILS disposition application by June 1st, 2013. Erie Thames staff has been working diligently to complete this application, however missing information for some of its predecessor entities has caused delays in the process. Erie Thames has managed to work through its data issues and expects to file its application on, or before, June 21st, 2013.

Should you have any questions, or concerns, please contact myself at Erie Thames Powerlines Corporation at 519-485-1820 ext. 254, or via email at gpettit@eriethamespower.com.

Respectfully,
