A Spectra Energy Company

May 31, 2013

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Municipality of Centre Hastings
Board File Numbers EB-2013-0216 and EB-2013-0217**

In its May 30, 2013 Letter of Direction related to the above-noted proceedings, the Board directed Union Gas:

“to immediately arrange for the Notice, headed with the Ontario Government logo and the words “Ontario Energy Board”, to be published in one issue of the English-language local newspaper having the highest paid circulation, according to the best information available, in the Municipality of Centre Hastings. The Notice shall be published no later than 2 weeks from the date of this letter”

In discussions today, the municipality informed Union that to reach the majority of residents, they suggest publishing the Notice of Application in the Community Press newspaper which is a free publication sent to each household. The municipality indicated that they believe that very few people living in Centre Hastings pay to receive the Belleville Intelligencer (the closest paid subscription newspaper).

I would appreciate receiving the Board’s directions on whether we should publish the Notice in the more broadly distributed free Community Press newspaper, the paid subscription Belleville Intelligencer newspaper, or both in order to best inform the citizens of Centre Hastings of our applications.

Should you have any questions, please do not hesitate to contact me.

Yours truly,
