Dear Ms. Walli:

Re: Board File No. EB-2012-0394

Update to the DSM Multi-Year Plan for the Years 2013-2014

We are counsel for the Vulnerable Energy Consumers Coalition (VECC) in the above-noted matter. We are in receipt of the correspondence dated May 29, 2013 from the counsel for Canadian Manufacturers & Exporters (CME).

We are in full agreement with the contents of the correspondence both with respect to the approval of the Settlement Agreement herein and the consequences if the Board does not accept the Agreement.

Thank you.

Yours truly,

Michael Janigan
