NOTICE OF INTERVENTION

OF THE

VULNERABLE ENERGY CONSUMERS COALITION

To: Ms. Kirsten Walli

Board Secretary

And to: Mr. Michael Engelberg, Hydro One Inc.

And to: Mr. Jody McEachran, Norfolk Power Distribution Inc.

.

- The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding.
 VECC consists of the following organizations:
 - (a) The Federation of Metro Tenants Association (FTMA)
 - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)
- 2. The Federation of the Metro Tenants Association (the "FTMA") is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-oops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street Toronto, ON M5B 1L2

3. The Ontario Coalition of Senior Citizens' Organizations ("OCSCO") is a coalition of over 160 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO's mission is to improve the quality of life for Ontario's seniors. OCSCO's address is:

333 Wilson Avenue, Suite 406 Toronto, ON M3H 1T2

- 4. The coalition of the FMTA and OCSCO under the name VECC has the specific mandate of intervening in proceedings to advocate on behalf of the interests of Ontario's vulnerable consumers with respect to energy issues, primarily through intervention in regulatory proceedings at the Ontario Energy Board.
- Although the organization is not itself a member of VECC, the Public Interest Advocacy Centre (PIAC) in Ottawa assists in the representation of the interests of vulnerable consumers by ensuring the availability of

- competent representation and consultant support to the VECC participation.
- 6. The name and address of the agent authorized to receive documents on behalf of VECC is:

Mr. Michael Janigan
Counsel
Public Interest Advocacy Centre (PIAC)
One Nicholas Street, Suite 1204
Ottawa, Ontario
K1N 7B7
(613) 562-4002 extension 26 (office)
(613) 562-0007 (fax)
mjanigan@piac.ca

7. VECC would request that all correspondence and documentation also be electronically copied to VECC's consultant:

Bill Harper
Econalysis Consulting Services
34 King Street East, Suite 1102
Toronto, Ontario
M5C 2X8
416-348-0193 (office)
bharper@econalysis.ca

Also, VECC requests that one paper copy of all materials be forwarded to Mr. Harper at the above address.

- 8. VECC notes that the Application calls for an immediate reduction in the 2013 base distribution delivery rates charged to Norfolk Power's current customers and to then have the rates frozen for five years. At the same time, the Application indicates that HONI Distribution plans to file a fiveyear cost of service rate application in 2014 for rates effective 2015 to 2019.
- 9. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of electricity currently served by Hydro One Inc. are fully represented in the review of the Application.

- 10. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).
- 11. VECC's members do not have access to the direct funding required to retain appropriate legal and consulting support for its intervention in OEB proceedings. Accordingly VECC relies on PIAC to provide legal support and retain qualified consultants on the basis that PIAC can recover the related fees and disbursements from the Board based on the Board's Practice Direction on Cost Awards at the prevailing Cost Award Tariff.
