Attention: Jim Bradley
Attention: Bob Chiarelli, THE NEW ENERGY MINISTER

Re: OEB File# EB-2013-0031

To all those concerned:

Further to my letters of March 20 (oral hearing request), March 21 (comment to the Board), March 26 (subsection Intervenor Status), Submission of our Petition, April 12 (fourth letter of comment to the board), April 17 (notice of 25 objections) and April 17, 2013 (letter re common sense).

We have tried reason and practicality. We have tried common sense. We have tried common decency towards others. We have flat out said **NO!** We do not want your wind turbines in Wainfleet.

Much like the Obama U.S.A. election where if he could not win against his opponent he would obliterate them. Is this what you are trying to do to the people of Wainfleet and our countryside?

Anyone with an ounce of common sense who would inspect the proposed Station Road site for the wind turbines situated right next to the the airport/parachute club could not in all good conscience approve that site. If this site is approved there is going to be a backlash like you won't believe. I have in my possession 429 signatures of Wainfleet residents who are ready to fight!

We do not care how far up the chain of command this is in the government. We, the people of Wainfleet do not want your dam wind turbines here! It has already been established that the mastermind responsible for subjecting us to these wind

turbines is a criminal and should be jailed accordingly for what he has done to the Province of Ontario. And now, his cohort, Ms. Kathleen Wynne together with Bob Chiarelli have decided that the rules will change slightly but only for the newcomers. **IT IS WE THE PEOPLE OF RURAL ONTARIO WHO HAVE FOUGHT FOR THESE CHANGES AND YOU ARE GOING TO TELL US THAT THEY DON'T APPLY TO US. THIS IS DISCRIMINATION AND YOU THINK YOU CAN PLAY POLITICS WITH OUR LIVES. BOB CHIARELLI TALKS OUT OF BOTH SIDES OF HIS MOUTH QUITE MASTERFULLY. PERHAPS HE THINKS HE HAS FOUND A WAY TO PROTECT HIS CRONIES.**

WHAT HAS HAPPENED TO OUR PROPERTY RIGHTS? WHERE DID THEY GO? WHO EXPROPRIATED THEM? COULD IT BE THE LIBERAL GOVERNMENT? YOU PEOPLE ARE BEING UNCOOPERATIVE, UNRECEPTIVE, BULLYING AND DISCRIMINATING AGAINST RURAL ONTARIO!

THE ANGER IS BEYOND THE BOILING POINT!!!

Katherine Pilon
