**Board Secretary**

Dear Madam:

**Re: Hydro One Networks Inc.**  
**IRM Application for 2014 Distribution Rates**  
**Board File Number EB-2013-0141**

I am respectfully seeking intervenor status in the above-captioned proceedings (the "Proceedings").

I am a customer of Hydro One Networks Inc. ("Hydro One") under the classification of Seasonal Residential Status. I am a Lake of the Woods homeowner and community member.

I am concerned with Hydro One's application to raise its electricity distribution rates in 2014. Further, I am concerned generally with the electricity distribution rates that Hydro One charges its Seasonal Residential customers and the apparent justification that Hydro One relies upon in order to continue to implement said rates.

Based on the foregoing, I intend to participate in the Proceedings in order to obtain acceptable justification for Hydro One's electricity distribution rates and in order to make submissions and provide evidence, as a resident with the above-noted classification, in respect of Hydro One's electricity distribution rates and customer classifications.

I wish to review all of Hydro One's evidence in respect of the Proceedings.

I am applying for costs on the basis that I am a person with an interest in land that is affected by the Proceedings.

All correspondence related to the Proceedings should be addressed to the undersigned.

Yours Truly,

  
for:
