We are counsel to Northland Power Solar Empire L.P., Northland Power Solar Martin's Meadows L.P., Northland Power Solar Abitibi L.P., and Northland Power Solar Long Lake L.P. (the "Applicants") in the above captioned matter.

Procedural Order No.2 in this proceeding, issued May 23, 2013 ("PO#2"), provided for final submissions from the IESO and Board staff by Friday, May 31, 2013. The IESO did not file a submission, but the Board staff submission was received on May 31, 2013. PO#2 also provided that "The Applicant, with input from HONI as necessary, shall file with the Board and deliver to the IESO its Reply Submission, on or before Monday, June 10, 2013."

In their submission, Board staff identify two matters in respect of which Hydro One Networks Inc. ("HONI") input is required. The Applicants have been in contact with HONI about these matters, but it appears that it will take some additional time to complete the discussions with HONI and address the matters identified by Board staff in the Applicants' Reply. Accordingly, the Applicants respectfully request that the Board extend the deadline for the filing of their Reply. We anticipate being in a position to deliver the Reply by the week of June 17, 2013.

We trust that this will be satisfactory to the Board, and we thank you for your consideration in this matter.

Should you have any questions in this regard, please do not hesitate to contact me.

Yours very truly,

**BORDEN LADNER GERVAIS LLP**
