**Re: Regulated Price Plan - Board File Number: EB-2007- 0672
Consultation on Time-of-Use Pricing Framework**

The following interested parties have requested cost awards for this consultation:

- Consumers Council of Canada;
- Pollution Probe;
- Building Owners and Managers Association of the Greater Toronto Area (BOMA);
- London Property Management Association;
- Vulnerable Energy Consumers Coalition; and,
- Canadian Manufacturers and Exporters.

Correspondence supporting these requests is on the Board's website.

Licensed electricity distributors have an opportunity to object to any of the requests for cost award eligibility. If an electricity distributor has any objections to any of the requests for cost eligibility, such objections must be filed with the Board by **4:45 p.m. on May 22, 2008**. Any objections will be posted on the Board's website. The Board will then make a final determination on the cost eligibility of the requesting parties.

Yours truly,
