Re: Board File No. EB-2013-0147
Confidentiality request re: Dion Durrell Actuarial Report

Dear Ms. Walli:

On May 17, 2013, Kitchener-Wilmot Hydro Inc. ("KWHI") filed its Cost of Service application for rates effective January 1, 2014. On June 6, 2013, KWHI received a Letter of Incomplete from the Board. The letter included confidentiality concerns as shown below:

Following Exhibit 4/Tab 4/Schedule 1/Attachment 2 (a copy of Appendix 2-K)

"Kitchener-Wilmot Hydro Inc. Report On The Actuarial Valuation Of Post-Retirement Non-Pension Benefits As At January 1, 2011 FINAL—February 15, 2012" which is marked "Confidential for Discussion Purposes Only".

KWHI is proposing to file the report issued by Dion Durrell & Associates Inc. in confidence pursuant to the OEB's *Practice Direction on Confidential Filings*. Dion Durrell & Associates Inc. has requested that this document be kept confidential from the public record but to be available for viewing by the Board, Board staff and registered Intervenors to this application. Dion Durrell & Associates Inc. states that there may be proprietary information in the report (and documents submitted) and that it does not want the valuation results (including its report and other documents) to be used for any purpose other than those disclosed in its correspondence. KWHI further notes that Dion Durrell & Associates is a consulting firm engaged in competitive business and that public disclosure of its methodologies could disadvantage them in the marketplace.

In order to accommodate Dion Durrell's request, KWHI is submitting a revised version of its application with the report mentioned above redacted from the original. KWHI requests that the redacted version replace the version currently available on the OEB's website. Further, KWHI has resubmitted two paper copies of the report issued by Dion Durrell & Associates Inc. printed on coloured paper to replace the report included in the original filing.

KWHI's submission, which has been previously electronically filed through the Board's web portal, consists of two (2) hard copies.

Respectfully submitted,
