Dear Ms. Walli,

**Re: Enbridge Gas Distribution Inc – OEB EB-2013-0099
Request for Intervener Status by Vista Credit Corp.**

We are writing to request intervener status in the above referenced proceeding.

Vista Credit Corp is a leading provider of HVAC rental and financing that was established in 2002. Vista Credit provides its services to consumers through a dealer network of small and medium size contractors. Vista Credit's offering allows small and medium size HVAC contractors to compete with much larger industry players, by providing a financial offering and access to Enbridge Gas Distribution billing services. Vista Credit has been a participant in the Open Bill Agreement since 2008.

We have been provided proposed changes to the Enbridge Open Bill Agreement and as a direct participant in the program, some of the proposed changes by Enbridge Gas Distribution may have a material impact on our business operations. Vista Credit proposes to participate in the procedural process in accordance with the process set forth by the Ontario Energy Board. Vista Credit does not seek any award of costs.

Please forward any communication on this matter to:
