Dear Ms. Walli:

EB-2013-0040 and EB-2013-0041 Bornish Wind, LP, Kerwood Wind, Inc. and Jericho Wind, Inc. – Submission of Hydro One Networks, Inc. Respecting Confidential Treatment of the Applicants' Connection and Cost Recovery Agreement ("CCRA") with Hydro One Networks Inc.

In accordance with the Board's Procedural Order 4, I am providing two (2) paper copies of Hydro One Networks' ("Hydro One") submission on the above matter.

In essence, in applying redactions to its CCRA's, Hydro One follows the principles below:

- Detailed cost breakdown information and certain milestone dates pertaining to intermediate project deliverables and accomplishments are redacted to maintain the integrity of Hydro One's tendering process, in the event Hydro One elects to contract out certain aspects of the project work. Final project deliverables, such as Backfeed and Ready for Service dates, are not redacted.
- Redactions are also applied to protect engineering design details that may be sensitive from a system security perspective.

Accordingly, Hydro One requests that the Board approve the level of confidentiality reflected in the redactions proposed for these purposes in the CCRA with the Applicant.

Under a separate cover letter, in accordance with section 5.1.4(b) and (c) of the Board's Practice Direction on Confidential Filings, Hydro One is filing confidentially:

- an un-redacted copy of the CCRA which is marked to show the portions for which confidentiality is requested and
- a second version which has been redacted according to the above principles.

An electronic copy of this submission has been filed using the Board's Regulatory Electronic Submission System.

Sincerely,

ORIGINAL SIGNED BY SUSAN FRANK
