

**IN THE MATTER OF** the Ontario Energy Board Act, 1998,  
S.O. 1998, c.15, Schedule B;

**AND IN THE MATTER OF** applications by Lakeland Power Distribution Ltd., for approval of  
electricity distribution rates to be implemented on May 1, 2007

**INTERROGATORIES OF THE  
SCHOOL ENERGY COALITION**

1. Please provide the number of publicly-funded (i.e. public board and Catholic Board, French and English) elementary and secondary schools in each rate class in your service territory.
  
2. Please confirm:
  - a) that a school with monthly consumption of 8000 KWh in the General Service < 50 KW would pay approximately \$109.41 per month for electricity distribution under the current proposed 2007 rates (including the proposed Z-factor adder), an increase of 2.54% over 2006;
  
  - b) that a school with monthly demand of 200KW in the General Service > 50 KW would pay approximately \$1035.63 per month for electricity distribution under the current proposed 2007 rates (including the proposed Z-factor adder), an increase of 1.08% over 2006;
  
3. Please explain if the company carries any insurance on its distribution system against events of this nature.
  - a) If yes, please provide a copy of the insurance policy, advise the process of the company's insurance claim in connection with the event, and provide an estimate of the proceeds from the claim.
  
  - b) If no, please explain why.

4. Please provide:
  - a) the company's regular and overtime labor rate for both management and non-management staff;
  - b) base salary and other components included in the regular labor rate and their respective amount;
  - c) the number of regular and overtime hours directly spent on the power restoration efforts by management and non-management staff respectively;
  
5. Please provide copy of invoices issued to the company by the following Contractors engaged in the restoration efforts: North Bay Hydro, Orillia Power, McNamara Powerline, Barkley Utilities, Muskoka Pole Line, and The Treeman.
  
6. Please explain:
  - a) Whether truck expense (for both regular time and overtime) represents truck rental.
  - b) Whether cost of material represents material directly used in the restoration and how does the company trace material cost. Please explain the costing methodology used by the company.
  
7. Please provide a copy of the property damage report.
  
8. Please provide a copy of the company's audited annual financial statements, for the year ended Dec 31, 2006.
