Dear Ms. Walli:

**Re: Integrated Grain Processors Co-operative Inc.
Board Files No. EB-2012-0406 and EB-2013-0081**

We are writing as counsel to Integrated Grain Processors Co-operative Inc. ("IGPC"). We are in receipt of a letter from Natural Resource Gas Limited's ("NRG") co-counsel, Mr. Richard King, dated June 18, 2013. NRG is seeking a one-week extension to file its responses to the interrogatories of the various parties in the above proceeding.

On the assumption that NRG will utilize the additional time to provide fulsome answers which will be of assistance to the Board and the parties, IGPC does not oppose the request for the one-week extension. We spoke with Mr. King earlier today and advised him of IGPC's position and confirm that NRG is amenable to IGPC filing its responses to interrogatories on the same date, i.e., June 28, 2013.

Yours truly,
