Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

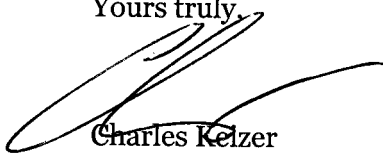

**Re: EB-2011-0140-CREZ Project Costs and Cost Estimates**

We are counsel to EWT LP and are writing to clarify the record following the letter that NextBridge's counsel filed with the Board on June 14, 2013 ("the Letter").

In the Letter, NextBridge suggested that EWT LP had asserted in its Reply Argument that the Lone Star cost information provided by NextBridge was false, and that in so doing, EWT LP had mischaracterized the evidence that is on the public record in Texas and had misled the Board.

Contrary to the assertion of Nextbridge's counsel, EWT LP did not assert that NextBridge's cost data was false, nor did EWT LP attempt to mischaracterize the evidence that is on the public record in Texas. It is our understanding that the data was taken unchanged from the public record in Texas. EWT LP has provided in its reply the appropriate references so the data can be understood in its proper context.

Yours truly,

Charles Keizer
