Dear Ms Walli

Defining and Measuring Performance of Electricity Distributors

Board File No.: EB-2010-0379

Our File No.: 339583-000098

As solicitors for Canadian Manufacturers & Exporters ("CME"), we are writing to respectfully request a one day extension of the deadline for filing comments on the topics listed in Attachment B to the Board's letter in this proceeding dated May 30, 2013.

We have had the benefit of a preview of the detailed submissions which we expect will be made by counsel for School Energy Coalition ("SEC") and our expectation is that, at a conceptual level, we will be, in large measure, supporting and adopting those submissions.

That said, because of my attendance today at a funeral for the spouse of a former partner, my ability to complete the brief submissions which we wish to present on behalf of CME has been compromised.

For this reason, we respectfully request that the filing deadline for submissions and comments be extended to the close of business tomorrow, June 28, 2013.

Yours very truly
