Dear Ms. Geneau:

**Re: Leave to construct application by Varna Wind Inc.,  
Board File No. EB-2012-0442**

On June 24, 2013, Varna Wind Inc. (the "Applicant") filed its reply submissions with the Ontario Energy Board (the "Board") in the above noted matter.

In its reply submission the Applicant states that negotiations concerning the issues raised by the Ritzemas, the Oldfields and Hydro One Networks Inc. are ongoing.

The Board has decided to defer its decision on this application until such time that the above noted negotiations have progressed and agreements, if any, are achieved with the respective parties. The Board has therefore decided to give the Applicant and the three parties noted above an opportunity to resolve these matters, failing which the Board will address these in its decision.

Please keep the Board informed on the status of the negotiations and notify the Board of their outcome.

Sincerely,

*Original signed by*
