Dear Ms Walli:

**Re: Enbridge Gas Distribution Inc. 2014 to 2018 Rate Application**  
**Ontario Energy Board File No. EB-2012-0459**

Enclosed are six paper copies and one electronic copy on CD, of an Application and supporting evidence by Enbridge Gas Distribution Inc. (the "Company" or "EGD") for an order approving or fixing just and reasonable rates for the sale, transmission, distribution and storage of gas commencing January 1, 2014 (the "Application").

All of the evidence in support of this application had been originally prepared with a filing date of June 28, 2013, which unfortunately did not occur. In order to complete the filing of this application as expeditiously as possible and avoid any further delay, the Company has reflected today's filing date in the Application, but has chosen not to update the filing date shown on the individual pages of the evidence.

The Application has been filed through the Board's Regulatory Electronic Submission System ("RESS") and will be available on the Company's website at [www.enbridgegas.com/ratecase](http://www.enbridgegas.com/ratecase). A CD of the Company's pre-filed evidence will also be sent to all parties of interest from Enbridge's 2013 Rate Case, EB-2011-0354.

Please do not hesitate to contact me with any questions.

Yours Truly
