Dear Ms. Walli:

**Re: Bornish Wind, LP, Kerwood Wind, Inc. and Jericho Wind, Inc. (the  
“Applicants”)- Applications for Leave to Construct Transmission Facilities  
(EB-2013-0040, EB-2013-0041) - Reply Evidence**

We are counsel to the Applicants in the above-referenced proceedings. To assist the Ontario Energy Board (the “Board”) in its administration of these proceedings, this letter is to advise the Board that the Applicants intend to file reply evidence in respect of certain matters arising from the evidence of the Corporation of the County of Middlesex (the “County”) dated June 3, 2013 and the County’s response to interrogatories filed on July 2, 2013. In particular, the reply evidence will address aspects related to road safety.

The Applicants are currently analyzing the County’s interrogatory responses and the associated data and are not presently able to advise on the exact timing of the filing of the evidence. However, the Applicants will endeavor to advise the Board in writing of the expected filing date and to complete the filing itself as soon as practicable.

Yours truly,

Charles Keizer
