Dear Mr. Crocker:

**Re: Dufferin Wind Power Inc.  
Application for Leave to Construct Transmission Facilities  
Board File No. EB-2012-0365**

On July 5, 2013, the Board issued its Decision and Order in the subject proceeding. In the Decision, the Board acknowledged parties that applied and were granted cost eligibility status, and outlined in the Order the process for filing cost claims. The Decision inadvertently omitted Conserve Our Rural Environment's ("CORE") as one of the cost eligible parties. The Board acknowledges that CORE applied for cost eligibility in its December 21, 2012 letter to the Board, and granted cost eligibility pursuant to Procedural Order No.3. The Board apologizes for the oversight. The Board expects CORE to comply with the parts of the Order relating to cost claim filing as issued on July 5th.

Yours truly,
