Attention: Kristen Walli, Board Secretary

Dear Ms. Walli:

**Re:    North Bay Hydro Distribution Ltd.  
Cancellation of Generation License # EG-2011-0279**

On June 27, 2013 North Bay Hydro Services Inc. ("NBHSI") submitted a Feed-in Tariff application for FIT contract # F-000636-LFG-130-401. North Bay Hydro Distribution Ltd. ("NBHDL") originally received a Notice to Proceed for this contract on July 20, 2011. The OPA has executed an 'Assumption and Acknowledgment' notice on April 22, 2013 for the assignment of this contract to NBHSI.

NBHDL supports NBHSI's application for a Generation License and further requests that Generation License "EG-2011-0279" be cancelled; the generation facility listed on Schedule 1 of this license will be operated under NBHSI as per NBHSI's FIT application.

We would be pleased to provide any further information or details that you may require relative to this request.

Yours truly,
