Dear Ms. Walli:

**Re: EB-2012-0433: Union Gas' Parkway West Project
EB-2012-0451: Enbridge's GTA Expansion Project
Treatment of the Independent Electricity System Operator ("IESO") June 28th Letter as
Letter of Comment**

We are writing to clarify the status of the IESO's letter of support filed June 28, 2013.

The IESO's letter was not intended to be filed as evidence, but rather as a submission in support of Union's Parkway West Project and Enbridge's GTA Expansion Project to the extent that these projects enhance electric reliability. In retrospect, we should not have filed the letter during the window for the filing of intervenor evidence. We apologize for this inadvertent error.

We request that the Board label the IESO's letter as a letter of comment.

All of which is respectfully submitted.

Yours truly,
