Dear Ms. Walli:

**Re: EB-2012-0433: Union Gas' Parkway West Project
EB-2012-0451: Enbridge's GTA Expansion Project
Treatment of the Independent Electricity System Operator ("IESO") Letter of Support**

I am writing to notify the Board that in light of Green Energy Coalition's ("GEC") letter submitted on July 10th, the IESO is willing to respond to GEC's interrogatories.

The IESO understands that filing our letter on the day that intervenor evidence was due has led to this misunderstanding and we apologize for this error. Given GEC's comments that their experts spent considerable amount of time and effort researching related matters to formulate interrogatories to the IESO, coupled with the fact that GEC's interrogatories were filed within the timeline set out by the Board for interrogatories on intervenor evidence, the IESO will respond to GEC's interrogatories by July 19.

All of which is respectfully submitted.

Yours truly,
