Dear Ms. Pasceri:

**Re: 2225053 Ontario Inc.
Application for an Electricity Generation Licence
Board File Number EB-2013-0249**

The Board has reviewed your application for an electricity generation licence as a feed-in tariff program participant. Your application is currently incomplete and cannot be processed until the following has been filed:

- You provided "SunE Taylor Kidd LP" as the name to appear on the licence. The proposed name does not meet the requirements set out in section 1 of the application form. Specifically, it is indicated under section 1 of the application form that if the name to appear on the licence is not the same as the legal name of the applicant, the name on the licence must include the legal name of the applicant and the legal name must appear first. Please provide a revised name that is consistent with the above mentioned requirements. In addition, the Notice to Proceed filed with the application was issued to SunE Taylor Kidd LP and not 2225053 Ontario Inc.
- You provided an expected commercial operation date of April 23, 2013 in section 7 of the application form. Please confirm whether this date is correct and if the generation facility is currently in operation.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Vince Mazzone, Analyst at 416-544-5159 or e-mail, Vince.Mazzone@ontarioenergyboard.ca.

Yours truly,
