**Attention: Ms. Kirsten Walli, Board Secretary**

Dear Ms. Walli:

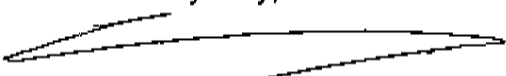

**RE: Notice of Application and Hearing, EB-2013-0233**  
**East Durham Wind Inc. Application Pursuant to s.41(9) of the *Electricity***  
***Act, 1998***  
**Municipality of West Grey**

We are the solicitors for the Municipality of West Grey.

We received a copy of the Notice of Application from the Applicant's Solicitor via email dated July 17<sup>th</sup>, 2013. We understand formal service upon the Municipality has also occurred.

The Municipality hereby requests Intervenor status in the above captioned matter. The Municipality will be affected by the outcome of this proceeding as it is the owner of the road allowances upon which the applicant wishes to locate the proposed facilities. As the road allowances accommodate traveled roads maintained by the Municipality, the location scale and orientation of the proposed facilities will affect such roads and the use thereof.

Yours very truly,

Edward B. Veldboom
