Dear Ms. Walli:

We live and conduct agricultural business at the above address.

We received via registered mail, a copy of the Notice of Application from the applicant on July 19, 2013.

We request Intervenor status in this Notice of Application EB-2013-0233. We will be affected by the outcome of this proceeding as we own the property immediately adjacent to the land, upon which the applicant is planning to place the proposed facilities. As we live and work in the immediate lands, the location, scale and orientation of the proposed facilities will affect the use of our property and the administration of health and safety measures for us and any employees.

Sincerely,

Syd and Karen Parkin
