Dear Ms. Nanninga:

**Re: Kitchener-Wilmot Hydro Inc.
Application for 2014 Rates
Application Board File Number EB-2013-0147**

Updated Filing Requirements were issued by the Board on July 17, 2013. It is the Board's practice that applications filed in advance of any update to the Filing Requirements should be updated to satisfy the new filing requirements with respect to any major new or revised items that are related to Board policy matters or may have a significant impact on the application review.

In the past, the process for updating an application was facilitated through the interrogatory process. In an effort to reduce the interrogatory burden, and to allow the Board and parties sufficient time to review the updated information in advance of the interrogatory phase, the Board requires you to file the information specified in the attached document as soon as possible.

Yours truly,

Original Signed By

John Pickernell
Assistant Board Secretary
