The Board assigned File No. EB-2013-0233 to this application.

Participation in the Proceeding and Cost Eligibility

The addresses of East Durham and intervenors are attached as Appendix A to this Order.

In assessing a party's eligibility for costs, the Board is guided by the *Practice Direction on Cost Awards* (the "Practice Direction"). Parties are advised to review the Practice Direction for further information about which types costs are eligible for recovery. For example, costs for counsel and consultants are generally recoverable, but costs for time spent directly by the intervenor are generally not recoverable.

The Practice Direction and related forms are available on the Board's website at www.ontarioenergyboard.ca.
