Dear Ms. Walli:

Re: EB-2012-0365 Dufferin Wind Power Inc. - Application for leave to construct Transmission Facilities
Our File No.: 0663

We are counsel to Lori Bryenton, an intervenor in this matter, who was granted cost eligibility in Procedural Order 2. Although the Board stated that cost claims from the intervenors were to be filed by July 15, 2013 in its Decision and Order of July 5, 2013, we are writing to request that the Board accept the attached Cost Claim on behalf of Ms. Bryenton.

The lawyer who spent the most time working on this matter was absent from the office on his honeymoon when the Decision and Order was released. Unfortunately, upon his return, the date of filing was overlooked.

We have attempted to get in touch with Counsel for Dufferin Wind Power Inc. to explain the situation and request their consent to this filing but so far have been unable to speak directly to them.

We look forward to the response of the Ontario Energy Board to this request. If there are any questions arising from this request please do not hesitate to contact us.

Yours very truly,
