Dear Ms. Walli:

**Re: Status of Independent Study EB-2010-0018, Phase 2**

In response to the Boards' letter of July 31, 2013 to Mr. Jack Howley regarding the above matter, Natural Resource Gas Limited ("NRG") circulated an RFP for a Study on the System Gas Integrity issue and an RFP for a Competitive Market Study on August 6, 2013. Each RFP, which were approved by the Steering Committee, was circulated to 3 consultants with a submission deadline of September 16, 2013.

Upon receipt of the RFP's, the Steering Committee will meet and review the responses. At that time, we will have a better indication of the timeline for completion and will advise the Board accordingly.
