Dear Ms. Wyatt:

Board File Number EB-2012-0109**

A preliminary review of the application has identified that certain sections of the evidence supporting the application do not comply with the Board's Filing Requirements for cost of service applications and/or the associated spreadsheets, models and workforms. As a result the Board is unable to process your application at this time.

The missing information is as follows:

Chapter 2 Filing Requirement Reference (page #)	Description

Specifically, the Board asks that you apply for disposition of the 2011 LRAMVA actual balance, based on the 2011 OPA Final Evaluation Report, as well as an estimate of the 2012 balance to be updated if necessary upon receipt of the 2012 OPA Final Evaluation Report.

The Board expects that Brantford Power Inc. will file the above listed required information as soon as possible.

If any of the information that is identified as missing or insufficient is located in sections other than those identified in the Filing Requirements, or if any of the information is not applicable in your circumstances, please provide an explanation when filing the remainder of the required information.
